## **SCENIC RIVERS ENERGY COOPERATIVE**

### **Policy S.17**

### **Moving Structures or Equipment through Cooperative Lines**

**RESPONSIBILITY:** CEO and Director of Operations

The Cooperative receives requests to move structures or equipment under or through the Cooperative lines. This type of activity may be hazardous. In the interest of continuity of service and safety, the Cooperative will provide personnel, if feasible, subject to the attached “Building & Structure Move Guidelines”.

Anyone who fails to adhere to this policy and causes damages to Cooperative property shall be billed 150% of actual costs incurred by the Cooperative.

The Cooperative reserves the right to refuse to allow structures to be moved through the Cooperative’s lines depending on the size of the structure to be moved and route that has been selected.

*Information contained in this Policy is subject to update or modification by the Cooperative at any time and at the sole discretion of the Cooperative. Such information includes (but is not limited to) policies, procedures, rates, tariffs and applications. Some information may change as a result of external factors such as new legislation or regulations. Prior to making use of the information contained herein, please check with appropriate Cooperative staff.*

*For the above reasons, the Cooperative requests that the recipient NOT reproduce or distribute this document, or rely solely on its contents to make any business or personal decisions.*

Building & Structure Move Guidelines

OWNER/CONTRACTOR: \_\_\_\_\_

ADDRESS: \_\_\_\_\_

TELEPHONE NUMBERS: \_\_\_\_\_(Home)\_\_\_\_\_ (Work)

Type of Structure to be Moved: \_\_\_\_\_

Mover's Name & Telephone Number: \_\_\_\_\_

\_\_\_\_\_

Point of Origin: \_\_\_\_\_

Point of Destination: \_\_\_\_\_

It is hereby agreed that the undersigned will follow and abide by all of the following conditions which are necessary for the moval of a building or structure which may affect facilities owned and operated by SREC.

1. The owner/contractor must notify SREC a minimum of three weeks in advance of the anticipated move. At this time, SREC will be informed of the anticipated date and time of move, loaded height of structure, and required permits. The building or structure move permit fee of \$200 (if under 22') or \$400 (if over 22') will be paid to SREC with the request.
2. SREC personnel will evaluate the route and contact the owner/contractor with the estimated charges. SREC may suggest a route with less crossings or one which may affect less customers.
3. SREC reserves the right to request removal of chimneys, antennas or other structural attachments or fixtures.
4. The owner/contractor is responsible for contacting SREC **five working days** in advance of the actual move. At this time, the following is required:
  - (a) Confirmation of actual date, time, routes, loaded height of structure.
  - (b) Signature of this agreement.
  - (c) Payment of estimated costs.
5. The owner/contractor will be assessed a penalty of 150% of actual costs incurred by the Cooperative if Policy S.17 and these guidelines have not been followed.
