## SCENIC RIVERS ENERGY COOPERATIVE

### Policy S.9 Meter Installation

**RESPONSIBILITY:** CEO and Employees

The Cooperative shall install, own and maintain its own metering equipment at a Cooperative approved location of the member's premises according to the Cooperative's service rules.

The member shall provide ample space for such equipment at no cost to the Cooperative and shall allow Cooperative personnel free and ready access to such equipment at all times.

The member shall install, own and maintain meter sockets, meter enclosures, instrument transformer cabinets and other related equipment.

This policy supersedes and cancels all similar policies prior to this date.

*Information contained in this Policy is subject to update or modification by the Cooperative at any time and at the sole discretion of the Cooperative. Such information includes (but is not limited to) policies, procedures, rates, tariffs and applications. Some information may change as a result of external factors such as new legislation or regulations. Prior to making use of the information contained herein, please check with appropriate Cooperative staff.*

*For the above reasons, the Cooperative requests that the recipient NOT reproduce or distribute this document, or rely solely on its contents to make any business or personal decisions.*
